Location: West London, United Kingdom

## Profile:

I have been developing websites in my own time since 2011, starting with basic HTML and CSS.  I'm now looking to advance my career in Web Development.

## Key Skills:

- JavaScript,
- Web Technologies like HTML5 & CSS,
- Node.js & NPM,
- JQuery,
- React & Frameworks like Next.js and Gatsby,
- Wordpress,
- Rest API's,
- Git.

## Work Experience:

- Web Developer / Project Manager at Q-Online, **December 2018 – Current.**
  My main responsibility include creating websites using React(GatsbyJS) and WordPress. I leaded a small independent team.

## Education:

- BCS Level 3 Certificate in Programming
- BCS Level 3 Certificate in Software Development Context and Methodologies

**Level 2 Qualifications (GCSEs) in:**

- Maths
- English
- Computer Science
- Biology
- Physics
